Dear Parents and Guardians:

The Code of Student Conduct (COSC) is aligned to recent local, state, and federal mandates with an emphasis on promoting a safe learning environment to ensure academic success. The COSC sets the standards of conduct expected of students in a purposeful safe learning environment in which the principles of care, courtesy and respect for the rights of others is valued. It also addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures.

It is important that parents/guardians, along with their child take the time to review the COSC. There have been some substantive revisions that both parents/guardians and students need to review. Furthermore, it should also be noted that behaviors committed on or off the school campus may be violations of the COSC and may also be violations of Florida law. These violations may result in disciplinary actions imposed by local law enforcement authorities, in addition to those of the school/district.

The COSC can be accessed by visiting <http://ehandbooks.dadeschools.net/policies/90/index.htm>. If you do not have access to the internet, you may go to your child's school and request to review the Code of Student Conduct manual. Please take the time to review and discuss the importance of the Code of Student Conduct with your child or children. After reviewing the Code of Student Conduct, you and your child/children must sign, date, and return the accompanied Parent Receipt and Acknowledgement Form to your child's school within 5 school days.

I consider each and every parent/guardian a valuable partner of Miami-Dade County Public Schools and recognize that you share the same goal as all of our schools, which is to create a safe learning environment that promotes academic success. For this reason, we hope that you understand the importance of the District's expectations for student behavior, and the corrective strategies should misconduct occur.

Estimados padres de familia y tutores:

El Código de Conducta del Estudiante (Code of Student Conduct, COSC), está alineado a los mandatos recientes de nivel local, estatal y federal, con énfasis en la promoción de un ambiente de aprendizaje seguro para asegurar el éxito académico. El COSC establece los estándares de conducta que se espera de los estudiantes en un ambiente seguro y con propósito, en el cual se valoran los principios del cuidado, la cortesía y el respeto por los derechos de los demás. También aborda el papel que juegan los padres de familia / tutores, estudiantes y la escuela, pero también se enfoca en los valores básicos y el comportamiento modelo del estudiante, los derechos y responsabilidades de los estudiantes, con respecto al comportamiento y a los procedimientos disciplinarios.

Es importante que los padres de familia / tutores, junto con sus hijos, dediquen un tiempo para revisar el COSC. Ha habido revisiones sustantivas que ambos, los padres de familia / tutores y estudiantes deben revisar. Además, también se debe notar que los comportamientos en o fuera del plantel escolar pueden violar el COSC y pueden además violar la ley de la Florida. Dichas violaciones pueden resultar en acciones disciplinarias impuestas por las autoridades locales del cumplimiento de la ley, además de las de la escuela o del distrito.

Puede acceder al COSC visitando <http://ehandbooks.dadeschools.net/policies/90/index.htm>. Si no tiene acceso a Internet, puede presentarse en la escuela de sus hijos y solicitar revisar el Manual del Código de Conducta del Estudiante. Por favor, dedique tiempo para revisar y discutir la importancia del Código de Conducta del Estudiante con sus hijos. Después de revisar el Código de Conducta del Estudiante, usted y sus hijos deben firmar, fechar y entregar el adjunto Formulario para Padres de Familia de Recibo y Confirmación a la escuela de sus hijos dentro de 5 jornadas escolares.

Considero a cada padre de familia / tutor un valorado asociado de las Escuelas Públicas del Condado Miami-Dade y reconozco que usted comparte la misma meta que la de todas nuestras escuelas, la de crear un ambiente de aprendizaje seguro que promueva el éxito académico. Por esta razón, esperamos que usted comprenda la importancia de las expectativas del Distrito por el comportamiento del estudiante y las estrategias correctivas que se emplearán si se presentase una falta de conducta.

Directora,

MIAMI-DADE COUNTY PUBLIC SCHOOLS

UNLISTED TELEPHONE NUMBER NOTIFICATION

Directory information is defined in **Student Records**, which is incorporated as a part of Board Policy 8330, as the student's name, address, telephone number if it is a listed number, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees and awards received, and most recent educational agency or institution attended.

Federal law requires that school systems provide directory information upon request to military recruiters and institutions of higher education. Directory information may also be provided to other organizations and agencies.

Cards and forms distributed for collecting information at the start of this school year did not provide a space to indicate that a telephone number is unlisted. Therefore, this form should be used to indicate that the telephone number which was provided for a student is unlisted. A notation will be made in the student's record so that the telephone number **is not** provided in response to requests for directory information.

**Please return this form within 30 days to your school, if your telephone number is listed and you do not want it provided in response to directory information requests.**

### NOTIFICACIÓN DE NÚMEROS DE TELÉFONOS PRIVADOS

La información del Directorio se define en los **Registros de Estudiantes**, el cual está incorporado como parte de la Póliza 8330 de la Junta Directiva, e incluye el nombre del estudiante, su dirección, número de teléfono, si no es privado, su participación en actividades y deportes reconocidos oficialmente, peso y tamaño de los miembros de los equipos atléticos, títulos y premios que ha recibido, y la agencia o institución de educación más reciente donde asistió.

La ley federal requiere que los sistemas escolares proporcionen información del directorio a las personas que reclutan para el servicio militar e instituciones de enseñanza por medio de solicitudes. Esta información del directorio se puede proporcionar también a otras organizaciones y agencias.

Las tarjetas y formularios distribuidos para recopilar información al comienzo de este año escolar no proporcionaron espacio para indicar que un número de teléfono es privado. Por lo tanto, se debe usar este formulario para indicar que el número de teléfono proporcionado para el estudiante es un número privado. El archivo acumulativo del estudiante incluirá una anotación para que el número de teléfono **no sea proporcionado** en respuesta a solicitudes para información del directorio.

**Favor de devolver este formulario dentro de un período de 30 días a su escuela, si es que su número de teléfono aparece en el directorio y usted no desea que se le proporcione a las personas o instituciones que solicitan información del directorio.**

# DEVON AIRE K-8 CENTER EDUCATIONAL EXCELLENCE SCHOOL ADVISORY COUNCIL

**Dear Parents, Teachers, and Students:**

Are you interested in improving our school and increasing student achievement? Are you interested in getting actively involved with others in developing a plan to maintain the high educational standards of our school? Miami-Dade County Public Schools and Devon Aire K-8 Center are pursuing this mission through the Educational Excellence School Advisory Council (EESAC) with input from parents, community leaders, teachers, students, administrators, and support staff. The EESAC consists of members from each of these representative groups.

The EESAC is responsible for developing an annual School Improvement Plan (SIP) and must monitor its progress throughout the school year. Council members are able to make suggestions concerning academic achievement, educational strategies, and future school objectives and goals. **Council meetings are held once a month and members must be committed to regular attendance. EESAC members annually determine the time, dates, and location of the council meetings.**

As the EESAC looks forward to the 2023-2024 school year and the development of a new SIP, it is seeking interested individuals to serve on this important advisory group. Currently, parent representative positions are open to participate on this council. **If you are interested in serving on the EESAC, please complete the information below and return it to school with your child or drop off the form in the main office by Tuesday, August 22, 2023.**

# Parent Permission Form for Scholastic Book Fairs

## Miami-Dade County Public Schools

Student Name (print)	Student Grade Level

Parent Name (print)	Student ID

I hereby give permission for my child to attend the Scholastic Book Fair at/on:

Devon Aire K-8 Center	2023-24 School Year
School Name	Book Fair Date

I understand that the collection of books for sale were curated by Scholastic, Inc. and are not a reflection nor are they associated with any of Miami-Dade County Public Schools. I also understand that the school district has worked with Scholastic, Inc. to develop control measures to ensure books sold during the fair are age appropriate. I acknowledge that as a parent/guardian I should review the materials my child is purchasing during a book fair. I further understand that Scholastic Book Fairs are typically run as fundraisers by a school's Parent Teacher Student Association, an independent, school-allied organization.

The materials available for purchase at the Book Fair were not individually selected by Miami-Dade County Public Schools. As such, parents are encouraged to review their student's "wish list" and have a conversation about what they wish their student to purchase at the book fair before sending money to make any purchases.

The "Book Preview" can be accessed using the QR code to the right and is a representation of any book fair's actual selection. Some books in the preview might be excluded based on availability at the branch when Scholastic packs the fair; likewise, you may see books that aren't featured in the Preview sent as substitutes for other titles.

By signing this form, I agree to the following:

- I will discuss with my child the content of any books they purchase that I feel may be inappropriate for them.
- I will return any books to the book fair that I do not feel are appropriate for my child.

I agree to hold the school and District harmless and recognize that I have no right to file a complaint against the school or District for my child's voluntary participation in the Scholastic Book Fair. I understand that if I do not agree to these terms, my child will not be allowed to attend the Scholastic Book Fair.

Entiendo que la colección de libros a la venta fue escogida por Scholastic, Inc. y los mismos no son un reflejo ni están asociados con ninguna de las Escuelas Públicas del Condado Miami-Dade. También entiendo que el distrito escolar ha trabajado con Scholastic, Inc. a fin de desarrollar medidas de control, y poder asegurar que los libros vendidos durante la feria sean apropiados para cada edad. Reconozco que como padre o tutor debo revisar los materiales que mi hijo(a) compra durante la feria del libro. Además, entiendo que las ferias del libro Scholastic suelen organizarse por la Asociación de Padres, Profesores y Alumnos de los centro escolares, para recaudar fondos, siendo esta, una entidad, a la vez, independiente y aliada con el centro escolar.

Algunos libros en la versión preliminar pueden quedar excluidos según la disponibilidad en la sucursal cuando Scholastic empaca la feria; del mismo modo, es posible que aparezcan libros que no figuren en la vista previa, ya que han sido enviados en sustitución de otros títulos.

Al firmar este impreso, acepto lo siguiente:

- Conversaré con mi hijo/a, con respecto al contenido de cualquier libro que compre y que yo considere pueda ser inapropiado para él o ella.
- Devolveré, a la feria del libro, cualquier libro que no considere apropiado para mi hijo.
