

Dear Third Grade Families,

Welcome to the new school year! We are excited to begin another wonderful year of learning and growth with your child.

Below is the supply list for third grade. Please make sure your child has these items to help them start the school year prepared and ready to succeed.

Please note that individual teachers may request additional supplies not included on this list. You may also receive a non-mandatory “wish list” of items to help support our classrooms throughout the year.

Thank you for your cooperation and continued support.
